INFRASTRUCTURE

A HAVEN FOR STUDENTS

Our campus is a vibrant hub of student life that fosters a strong sense of community and camaraderie. Our college provides students with ample opportunities to explore their interests and passions outside the classroom through clubs, societies, and extracurricular activities. The campus houses state-of-the-art facilities such as a fully equipped gymnasium, outdoor sports groups, and a well-stocked library.

RESEARCH & INNOVATION

20 Centres of Excellence (COE) functioning @ campus accentuate students to up-skill, impart practical knowledge and go an extra mile in industrial automation. COEs as a catalyst empowers Industry, and Academia to know and learn the opportunities through Innovation. Through these centers, 1000+ students benefit every year.

INDUSTRY COLLABORATION

MCET demonstrates a strong dedication to providing students with practical, real-world experience by fostering collaborations with industries through the establishment of Centres of Excellence, MoUs, internships, networking events and industry projects. The institution actively works to bridge the gap between academic knowledge and practical skills.
