I feel proud to say that the learning and exposure which MCET gives is just commendable. The faculty and placement team provides students with a lot of preparatory sessions so that they come up with their best. I would always be grateful to MCET for giving me multi-dimensional learning by providing the academics, industry exposure, attitude and leadership. The place that helped me build not only my career but an ambition that was fulfilled by the support of everyone.

Mr. M. Kumarasamy, (Batch -2001-2004)

Solution Architect, Kantar- Bangalore,

It is a privilege and I am glad to be a part of MCET. Apart from the curriculum, there are a lot of opportunities for students. The best part of college is that they give you internships and placements in best reputed industries. Throughout the course, the faculties were very supportive and inspiring. Its vision of the college to shape your staff through quality education makes it stand tall among many other institutions.

Mr. Aravindh Sakthivel (Batch -2005-2008)

Project Manager, Scrum Master Coimbatore,

The real world teaches you a lot and only a good institution can prepare you to handle those experiences. MCET played the role of my mentor. MCET broadened my perspectives, not only on management subjects, but also on personal qualities like being a good listener, ethical conduct, and most importantly, being humane. Proud to be an alumnus of MCET.

Ms. R. Sudha (Batch -2009-2012)

Software Specialist, Nokia Networks, Chennai

First thing, I want to thank my college and my lecturers for the wonderful guidance and support in my academics which helped me in my career to groom myself on all aspects. I still remember those days; we had a lot of opportunities to explore and grow ourselves on the technology side. I am really happy to share this with you.

Mr. Krishna Kumar Ramaraj (Batch 2010-2013)

Lead Developer, Luxoft Pvt Limited, Bangalore.

I feel proud of being alumni of such a reputed and honorable institution. The best possible platform, infrastructure and expert faculty provided by MCET made me industry ready. The knowledge and experience gained in MCET played an important role in my personality development and career building.
