

Dr.Mahalingam College of Engineering and Technology (An Autonomus Institution) Pollachi

Department of Civil Engineering

OurVoice [Newsletter]

About MCET

Dr. Mahalingam College of Engineering and Technology (MCET) was established in the year 1998 by Dr. M. Manickam with a view to commemorate the 75th birthday of his beloved father Arutchelvar Dr. N. Mahalingam with a mission to impart high quality competency based education in Engineering & Technology to the younger generation to acquire the required skills and abilities to face the challenging needs of the industry around the globe. MCET is a self-financing, co-educational Autonomous Engineering College and it is approved by All India Council for Technical Education (AICTE), New Delhi & affiliated to Anna University, Chennai. The Institution has been accredited by NAAC with A++ grade and all eligible UG Programmes are accredited by NBA. MCET currently offers 10 UG 6 PG and 5 doctoral Programmes in Engineering, Technology and Science.

About the Department

Civil Engineering is the oldest engineering discipline that deals with the planning, design, construction and maintenance of the physical and natural built environment, including works like buildings, bridges, canals, dams and roads. The department of Civil Engineering at MCET was started in the year 2007 with B.E. – Civil Engineering Program and extended in 2012 for Post Graduate program in M.E. – Structural Engineering.

The Department of Civil Engineering at MCET has highly qualified and experienced faculty in diversified domains which helps to enlighten the young minds of students in the theoretical and experimental aspects. Department has state-of-art infrastructural facilities which provide expertise and facility to work on emerging technologies. In a nut shell the department is well nurtured to cater the needs of education through industry oriented curriculum, research, consultancy, co-curricular and extra-curricular programs for the career enhancement of the students.

VISION

To develop Competent Civil Engineers to meet the infrastructure challenges of India and the world.

MISSION

- To become one of the reputed departments offering Civil Engineering Program in the country.
- To produce excellent engineers to cope up with the changes through dynamic, innovative and flexible curriculum.
- To provide a conducive environment for teaching & learning and to develop leaders with effective communication skills.
- To conduct quality research driven by industry & societal needs and provide affordable engineering solutions in an ethical way.

PROGRAMME EDUCATIONAL OBJECTIVES (PEOs)

PEO 1 Graduates who effectively demonstrate engineering knowledge, problem solving skill, design capabilities and entrepreneurial skills by providing practical solution.

PEO 2 Graduates who effectively demonstrate professionalism in multi-disciplinary engineering environment, leadership quality, teamwork and engage in life-long learning.

PEO 3 Graduates who demonstrate an ethical commitment to the community and the profession through involvement with professional societies.

PEO 4 Graduates who make contributions to knowledge and establish best engineering practice through research and development.

PROGRAMME OUTCOMES (POs)

PO1. Engineering knowledge: Apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization in the field of Civil Engineering.

PO2. Problem analysis: Identify, formulate, analyse and solve complex problems in construction industries using principles of mathematics, natural sciences and engineering sciences.

PO3. Design/development of solutions: Design a solution for complex civil engineering problems and design system processes to meet specific needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

PO4. Conduct investigations of complex problems: Conduct investigations of complex problems including design of experiments, analysis and interpretation of data, and synthesis of information to provide valid conclusion.

PO5. Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

PO6. The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

PO7. Environment and sustainability: Understanding the impact of engineering solutions in social environment and demonstrate the knowledge for sustainable expansion.

PO8. Ethics: Apply ethical principles and commit to professional ethics and the norms of engineering practices.

PO9. Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams and in multidisciplinary settings.

PO10. Communication: Communicate with engineers and society to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions related to civil engineering professionals.

PO11. Project management and finance: Demonstrate and apply the knowledge of engineering and management principles to one's own work, as a team leader or a member to manage project in multidisciplinary environments.

PO12. Life-long learning: Recognize the need for, and have the ability to engage in independent and life-long learning in the context of technological change.

PROGRAMME SPECIFIC OUTCOMES (PSOs)

PSO1. Problem Analysis: Able to arrive solutions to real time problems related to various domains of civil engineering through problem solving skills.

PSO2. Design and Management: Able to design systems, components and processes considering safety, quality and cost consideration and able to prepare project documents, engineering drawings and construction schedules

Student Achievements

Sundareswara A of **I Year B.E. Civil Engineering** selected as **District Referee** for Coimbatore District Silambam Association on Feb' 2022.

Praveena A of **II Year B.E. Civil Engineering** won **first prize** in speech competition by Readers Park Club on 10.03.2022.

Laxman SK, Pradeep K, Yogeswaran M & Hariharasudhan of **II Year B.E. Civil Engineering** won **Third prize** in Model Making at JCT College of Engineering and Technology on 07.05.2022.

Student Achievements

Vasanth R of **III Year B.E. Civil Engineering** won **Third prize** in Ricardo at P.A College of Engineering and Technology on 26.05.2022.

Suryakumar R & Praveen Kumar D of **II Year B.E. Civil Engineering** won **Third prize** in Code Cracking at JCT College of Engineering and Technology on 07.05.2022.

Vasanth R, Venkatesh A, Suganthan B & Vysnavasri C of **III Year B.E. Civil Engineering** won **Third prize** in Survey Tesoro at P.A College of Engineering and Technology on 26.05.2022.

Student Achievements

PRAVEEN KUMAR D & SURYA KUMAR R of III Year B.E. Civil Engineering won **Second Prize** in the event Sketch Art at Kongunadu College of Engineering & Technology, Trichy on 17.09.22.

Laxman SK, Pradeep K, Yogeswaran M & Hariharasudhan of II Year B.E. Civil Engineering won **Third prize** in Model Making at JCT College of Engineering and Technology on 07.05.2022.

VENKATESH A of IV Year B.E. Civil Engineering won **Second Prize** in TECHNO HUNT at Kumaraguru College of Technology, Coimbatore on 16.09.22.

EVENTS ORGANISED

Traffic survey was conducted in association with West police station, Pollachi during March'22 to May'22.

Webinar on "**Opportunities After Engineering through GATE | ESE | PSUs**" in collaboration with ACE Engineering Academy, Hyderabad on 05.03.2022.

"Built A Bridge" was organised by Department of Civil Engineering in collaboration with Indian Concrete Institute (ICI) student chapter on 09.04.2022.

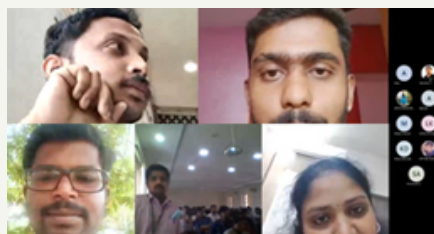

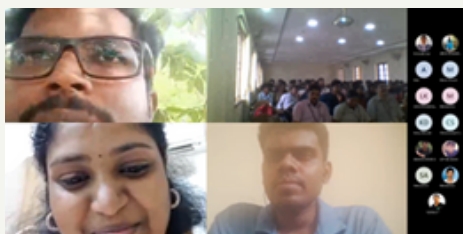

EVENTS ORGANISED

Workshop on “Effects of fluorides in our day-to-day life and free basic dental checkup” was organised on the eve of "International Water Day" in collaboration with Smile Dental Care, Pollachi on 22.3.2022.

Poster presentation was organised on the eve of “World Earth Day’2022” on 30.04.2022.

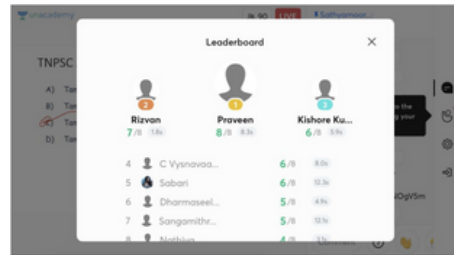

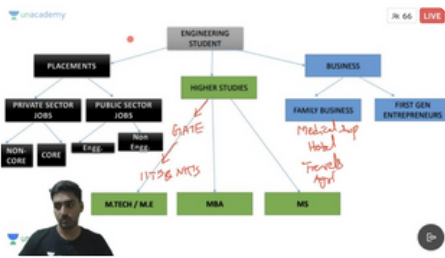

“Virtual Alumni Meet 2k22” was organized by Department of Civil Engineering on 30.04.2022.

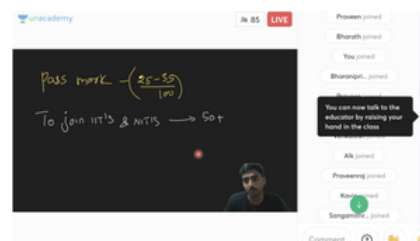

EVENTS ORGANISED

Two Days Hands-on Training on "Quality Control of Concrete" in collaboration with The Ramco Cements Limited on 11.06.2022 & 12.06.2022.

- List of PSU's Through GATE**
1. (AAAI) Airports Authority of India
 2. (BARC) Bhabha Atomic Research Centre
 3. (BEL) Bharat Electronics Limited
 4. (BHEL) Bharat Heavy Electricals Limited
 5. (BINL) Binay Sankar Nigam Limited
 6. (CDAC) Centre for Development of Advanced Computing
 7. (CDOT) Centre for Development of Telematics
 8. (CSPTM) Controller General of Patents, Designs and Trade Marks
 9. (CPCL) Chemical Petroleum Corporation Limited
 10. (CPRIL) Central Power Research Institute
 11. (CRRI) Centre for Railway Information Systems
 12. (DRDO) Defence Research and Development Organisation
 13. (EIL) Engineers Corporation of India Limited
 14. (BIL) Engineers India Limited
 15. (GAIL) Gas Authority of India Limited
 16. (NIPCL) Hindustan Petroleum Corporation Limited
 17. (IOCL) Indian Oil Corporation Limited
 18. (ISRO) Indian Space Research Organisation
 19. (KJ Somaiya) Gujarat Alkalies and Chemicals Limited
 20. (NATCO) National Aluminium Company Limited
 21. (NPL) National Fertilizers Limited
 22. (NLC) Neyveli Lignite Corporation
 23. (NPPCL) Nuclear Power Corporation of India Limited
 24. (NSIC) National Small Industries Corporation Limited
 25. (NTPC) National Thermal Power Corporation Limited
 26. (ONGC) Oil and Natural Gas Corporation Limited
 27. (PGCIL) The Power Grid Corporation of India Limited
 28. (POSCO) Power System Operation Corporation Limited
 29. (RIIL) Railways Ispat Nigam Limited
 30. (SBI) Securities and Exchange Board of India

Webinar on "Awareness on How Semester Preparation Helps in Campus Placement and Government Jobs" in association with Masters Academy on 14.05.2022.

Workshop on "Art of acquiring Research Funding" by Research Cluster was conducted on 26.03.2022.

EVENTS ORGANISED

"Farewell day" for Final year B.E.- Civil engineering students (Batch 2018-2022) conducted on 19.05.2022.

"Tree Plantation Programme" on the Eve of International Forest Day 2022 was organized by outreach cluster on 21.03.2022 in PUM School, Kurumbapalayam, Pollachi.

"HANDS-ON TRAINING ON CARPENTRY" was conducted at MCET-Bosch Artisan training centre of excellence on 25.05.2022.

INDUSTRIAL VISITS

Final year B.E- Civil Engineering Students attended the seminar on **“Journey of making of the Coimbatore’s Pride Convention Centre”** organised by **PSGiTECH, Coimbatore** in collaboration with Coimbatore Builders And Contractors Association (CEBACA) on 02.09.2022.

Third year B.E- Civil Engineering Students visited **Kadaieswari RMC plant, Karanampettai** on 10.09.2022.

INDUSTRIAL VISITS

Second and Third year of B.E- Civil Engineering students visited the construction work progress on 28.03.2022 at centenary center at **Dr. MCET**.

Second year B.E- Civil Engineering students visited **Technew Building Blocks - Green Bulding Center, Madukkarai** on 10.09.2022.

FACULTY ACHIEVEMENTS

Guest Lectures:

Dr.K. Murali , HOD/CE

1. Delivered a lecture on “[Outcome Based Education](#)”, in One day workshop organized by CK College of Engineering and Technology, Cuddalore on 22.02.2022.
2. Delivered a lecture on “[Change Your Question Change Your Life](#)”, in the Civil Engineering Association Inaugural function, Sri Ramakrishna Institute of Technology, Coimbatore on 30.03.2022.
3. Delivered a lecture on “[Circular Economy and Green Technology](#)”, one week online FDP on “Green Engineering and Sustainable Technology” organized by Jai Shriram Engineering College, Dharapuram on 29.08.2022.
4. Delivered a lecture on “[Industry and Societal Expectations from Civil Engineering Graduates](#)”, at Sri Ramakrishna Polytechnic College, Coimbatore on 05.09.2022.

Alumni Voice

Alan V Mathew
Design Engineer,
DB Engineering and
Consulting,
Bangalore.

Hi, I am Alan, Alumnus of MCET (2009-2013) Batch. I started out in Mahalingam with an ambition of becoming a structural engineer. I always wanted to design structures. I had previous exposure to civil structures because of my family background. My dad was himself a steel structure fabricator. This exposure gave me a curiosity to understand the behaviour of structures. Mahalingam college provided me with very good understanding of fundamentals regarding the behaviour of structures. The lecturers were good motivators and critics. They also helped me with insights other than academics which pivoted me into what I am today. The HOD of the department at my time Dr G. Jaisankar did help me in understand a lot regarding structural analysis. This helped me get a head start in my higher studies and in my work life. The amount of importance he gave to the fundamentals of structural analysis initially seemed bit too over exaggerated but the same helped me nail a lot of job interviews. I always thank the days I listened to the lectures after every successful interview. I was also active in co-curricular, extracurricular activities like dramas, music and symposiums. The college provided me with opportunities to explore my talent in these areas also. I would happily say that MCET has been an important stepping stone in my career.

அ.பா.சீனிவாசன், டாக்டர் மகாலிங்கம் கல்லூரியின் முன்னாள் மணவன் 2008-2012. இந்த கல்லூரியை தேர்ந்த எடுத்தபொழுது, எந்த அளவு கற்றலுக்கு நல்லகல்லூரி என்று சொன்னார்களோ, அதேஅளவு இன்றளவும் உணர்கிறேன். ஆம், இந்த வருடத்துடன் கட்டிடத்துறையில் பல பொறுப்புகளிலும், பல நிலைகளிலும் , பலதரப்பட்ட ஆளுமைகொண்ட அலுவலர்களுடன் பத்து வருடம் பணி புரிந்து விட்டேன் என் கல்லூரியில் கற்ற பொறியியல் கல்வியின் தரத்தின் அளவு , என்னுடன் பணியாற்றும் பொறியாளர்களிடம் காண முடியவில்லை.இதை இந்த தருணத்தில் சொல்வதில் பெருமை கொள்கிறேன். நான்கு வருட கல்லூரி நாட்களில் , பல முறை கல்வி கட்டணங்கள் தாமதமாக செலுத்தியிருக்கிறேன். கல்லூரி நிர்வாகம் கட்டணத்தை எல்லாம் பெரிய பொருளாக எண்ணவில்லை.பத்து வருடங்களுக்கு முன்பு கட்டணத்தை மட்டுமே முக்கியமாக வைத்து இயங்கிய கல்லூரியின் மத்தியில், டாக்டர் மகாலிங்கம் கல்லூரி,கல்வி சேவைகண்டு இன்று மனம் மெச்சுகிறது. ஒரு தொழிநுட்ப பொறியியல் கல்லூரிக்கு முக்கியமாக நான் கருதுவது ஆய்வகமும், தொழில் நுட்பத்தின் மீதான நடைமுறை அறிவும். அந்த வகையில், கட்டிடத்துறையின் கல்லூரி ஆய்வகத்தில்நான் கற்ற அறிவு, என்னை பன்னாட்டு நிறுவனத்தில் தரக்கட்டுப்பாடு துறையில் 5 வருடம் பணி செய்யஉதவியது. இன்றளவும் புதிய மாணவர்களுக்கு சொல்லுவது, டாக்டர் மகாலிங்கம் பொறியியல் மற்றும் தொழிநுட்ப கல்லூரி ஒரு சிறந்ததேர்வு சொல்லவேன்..
