SEPTEMBER 2024

Mr. T. Vijayakumar, Assistant Professor of the AIML Department, participated in a two-day hands-on workshop on **"Introduction to Computer Vision with Python,"** organized by the Department of Electronics and Communication Engineering at **PSG College of Technology**. The workshop, held on the 27th and 28th of September 2024, provided an in-depth understanding of key concepts in computer vision and its applications through Python programming. The event emphasized practical exposure, equipping participants with valuable skills in this rapidly growing field of AI and machine learning.

SEPTEMBER 2024

The AIML department hosted the induction program for the first-year students of the 2024-28 batch, marking the beginning of an exciting journey for our newest members. The event was led by our esteemed Head of the Department, **Dr. P. Vivekanandan**, who shared his vision and valuable insights into the field of Artificial Intelligence and Machine Learning.

SEPTEMBER 2024

On **September 18, 2024**, our third-year AIML students had the invaluable opportunity to visit **Kaynes Technology India Limited**. This industrial visit aimed to give students firsthand exposure to cutting-edge **Internet of Things (IoT)** technologies, processes, and practices driving the industry.

During the visit, students learned about the development and deployment of IoT solutions.

SEPTEMBER 2024

The AIML department conducted a parent-teacher meeting for 2nd-year students on September 2nd, focusing on fostering better communication and collaboration between parents, faculty, and students.

SEPTEMBER 2024

During the recent inauguration ceremony for first-year students held in the CC Hall, **Mohandass M**, our second-year AIML student, took part in the NCC parade. His participation highlighted the involvement of AIML students in diverse activities beyond academics, reflecting the department's support for holistic student development.
