

On March 23, 2023, Our Gender Champion Club celebrated Kalaingar Nootarndu Vizha and organized a writing and elocution competition. Many students participated in this program. Our association President welcomed the participants, the guest and our new club members, the students who attended discussed the life story of the Kalainger and the organization he created for women. Nearly 20 students participated in the competition. And prizes were awarded to the winning students.

Our guest Dr.L.Chitra., HOD S&H Department, encouraged the students and awarded prizes to the winning students. Our Club Vice President thanked the participants, guests and club members.

On April 05, 2024, the Gender Champion Club and SGS jointly organized the varnam-point of view event, which attracted significant participation from students. The program, featuring various activities, was well-received by the participants. The association President's warm welcome added to the event's positive atmosphere. Prizes were distributed to the winning students, recognizing their efforts and talents. Overall, it was a successful and engaging program that fostered creativity and expression among the participants.
