## Participation of Students in Games & Sports - Declaration by Parents & Students

I
studying B.E/B.Tech in MCET, declare that I am informed in advance that my
son/daughter is selected to represent the college team
in all extramural tournaments for this academic year 2020 - 2021. His/Her participation in
sports and games events representing the college is completely a voluntary act for which i have
given consent as a Parent. I also declare to have understood that in case of injury to my
son/daughter during the course of his/her practice/participation in the sports and games events,
the institution cannot be held responsible for that and the entire responsibility rests with my
son/daughter. In the same manner, if my son/daughter is found guilty of causing damage/injury
to property/persons, he/she will have to abide by the rules and regulations of the institution and
he/she will be fully responsible for the consequent actions taken and the institution cannot be
held responsible for the penal actions that might be taken against him/her.
I, as a Parent fully realize the risks involved during the time of practice and playing
games and sports. Having fully understood the risks involved, I permit my son/daughter to
participate in sports and games events at my risk. And I also declare that the institution will not
be held responsible for any compensation in case of injuries/accidents to my son/daughter.
