941 students take part in edu loan mela in Pollachi

TIMES NEWS NETWORK

Coimbatore: District collector Kranthi Kumar Pati and Pollachi MP K Shanmugasundaram jointly inaugurated an education loan mela for students at the Dr Mahalingam College of Engineering and Technology in Pollachi here on Wednesday as part of the birth centenary celebrations of former chief minister M Karunanidhi.

The mela was exclusively held for the students of Pollachi parliamentary constituency.

Speaking on the occasion, the collector said the loan mela's purpose was to prevent students from discontinuing their studies, citing lack of money to pursue higher education.

A total of 941 students from Pollachi, Udumalpet, Madathukulam, Valparai and Anaimalai areas participated in the loan mela.

According to an official source, 479 engineering students and 225 arts students were among the attendees.

Hariprasath, a student from Pollachi, received a loan offer letter from Canara Bank to pursue his PhD at the Annamalai University, Chidambaram. E-seva centres were set up at the event venue on behalf of the revenue department to issue necessary documents to avail education loans.

Volunteers assisted students to register online on Vidya Lakshmi website, a government portal for students seeking education loans for pursuing higher education.

The next education loan mela would be conducted at the Karpagam Institutions at Eachanari for students of Kinthukadavu, Thondamuthur and Sular on Friday (August 18).
