

Sri. Rajesh Uppal

Director, Suzuki Motorcycle India (P) Ltd.
Former Senior Executive Director(HR , IT & Digital)
Maruti Suzuki India Limited, Gurgaon

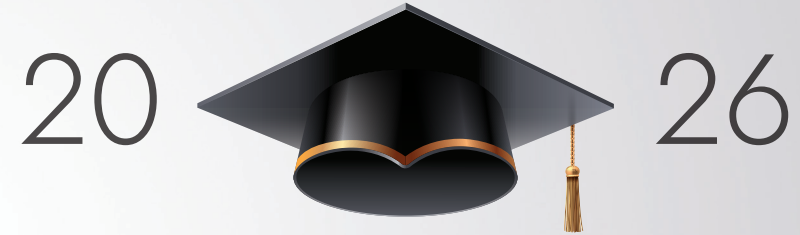

Mr. Rajesh Uppal is a distinguished business transformation leader and seasoned board professional, currently serving as Director on the Board of Suzuki Motorcycle India Private Limited and as Independent Director with RSB Transmission and other leading automotive organizations. He is also associated with the boards and advisory councils of several premier educational institutions in India and has served as a Member of the National Board of Accreditation(NBA) , contributing to the shaping of national benchmarks and policies for technical and professional education accreditation. With more than four decades of leadership experience spanning HR, Digital, IT, manufacturing, and enterprise transformation, Mr. Uppal is widely respected for his ability to combine strategic vision, technology, and people leadership to drive sustainable business growth and organizational excellence.

Mr. Uppal spent over 40 years with Maruti Suzuki India Limited, where he served as Senior Executive Director (IT, HR, Digital and Safety) . During his distinguished tenure, he played a transformational role in positioning technology and digital innovation as strategic business enablers for India’s leading automobile company. Under his leadership, Maruti Suzuki pioneered several landmark initiatives across enterprise digitization, HR transformation, smart manufacturing, supply chain integration, dealer ecosystem modernization, and customer-centric technology platforms. Many of these initiatives became benchmarks for the Indian manufacturing industry and significantly enhanced organizational agility, operational excellence, and business scalability.

Known for his ability to integrate people, process, and technology, Mr. Uppal has consistently driven large-scale organizational and cultural transformation. His leadership has focused on building future-ready enterprises by fostering innovation, strengthening leadership capability, and promoting a culture of continuous improvement and adaptability. Through his professional journey, he has demonstrated how technology, when combined with human potential and purpose-driven leadership, can create lasting impact for organizations and society alike.

A strong believer in lifelong learning and adaptability, Mr. Uppal firmly believes that “continuous learning is the only way to stay relevant in a constantly changing world.” His inspiring journey continues to motivate young professionals and graduating students to embrace change with confidence, innovate with courage, and contribute meaningfully to the future through knowledge, integrity, and perseverance.
