Report on Knowledge Sharing Session “IP Awareness and Patent Filing Workshop”

Resource Person: Dr. Vinoth Kumar J

Programme Title: Workshop on IPR Basics for Innovators and Entrepreneurs

Date: 13.12.2025

Summary

The session was delivered by **Dr. Vinoth Kumar J, Registered Patent Agent (No. PA 6111)**, Erode, who shared valuable insights into the fundamentals of Intellectual Property Rights (IPR) and their significance in promoting innovation and entrepreneurship. The workshop focused on creating awareness among participants regarding various forms of intellectual property, including patents, copyrights, trademarks and other forms of IPR.

The resource person explained the basic concepts and importance of patents, patentability requirements, the patent application process, and the significance of protecting innovative ideas before their commercialization. Practical aspects related to identifying patentable innovations, preparing patent applications, avoiding common mistakes, and understanding the role of IPR in technology-driven entrepreneurship were also discussed.

The session provided participants with a better understanding of how innovative ideas can be systematically protected and transformed into valuable intellectual assets. The interaction with the registered patent agent also enabled the participants to clarify their queries related to patent filing, ownership, novelty, prior-art considerations and commercialization of intellectual property.
