ENVIRONMENTAL CLUB ACTIVITY - REPORT

Program Name: Field Visit Herbal Farm (Aliyar)

Date: 3rd September 2026

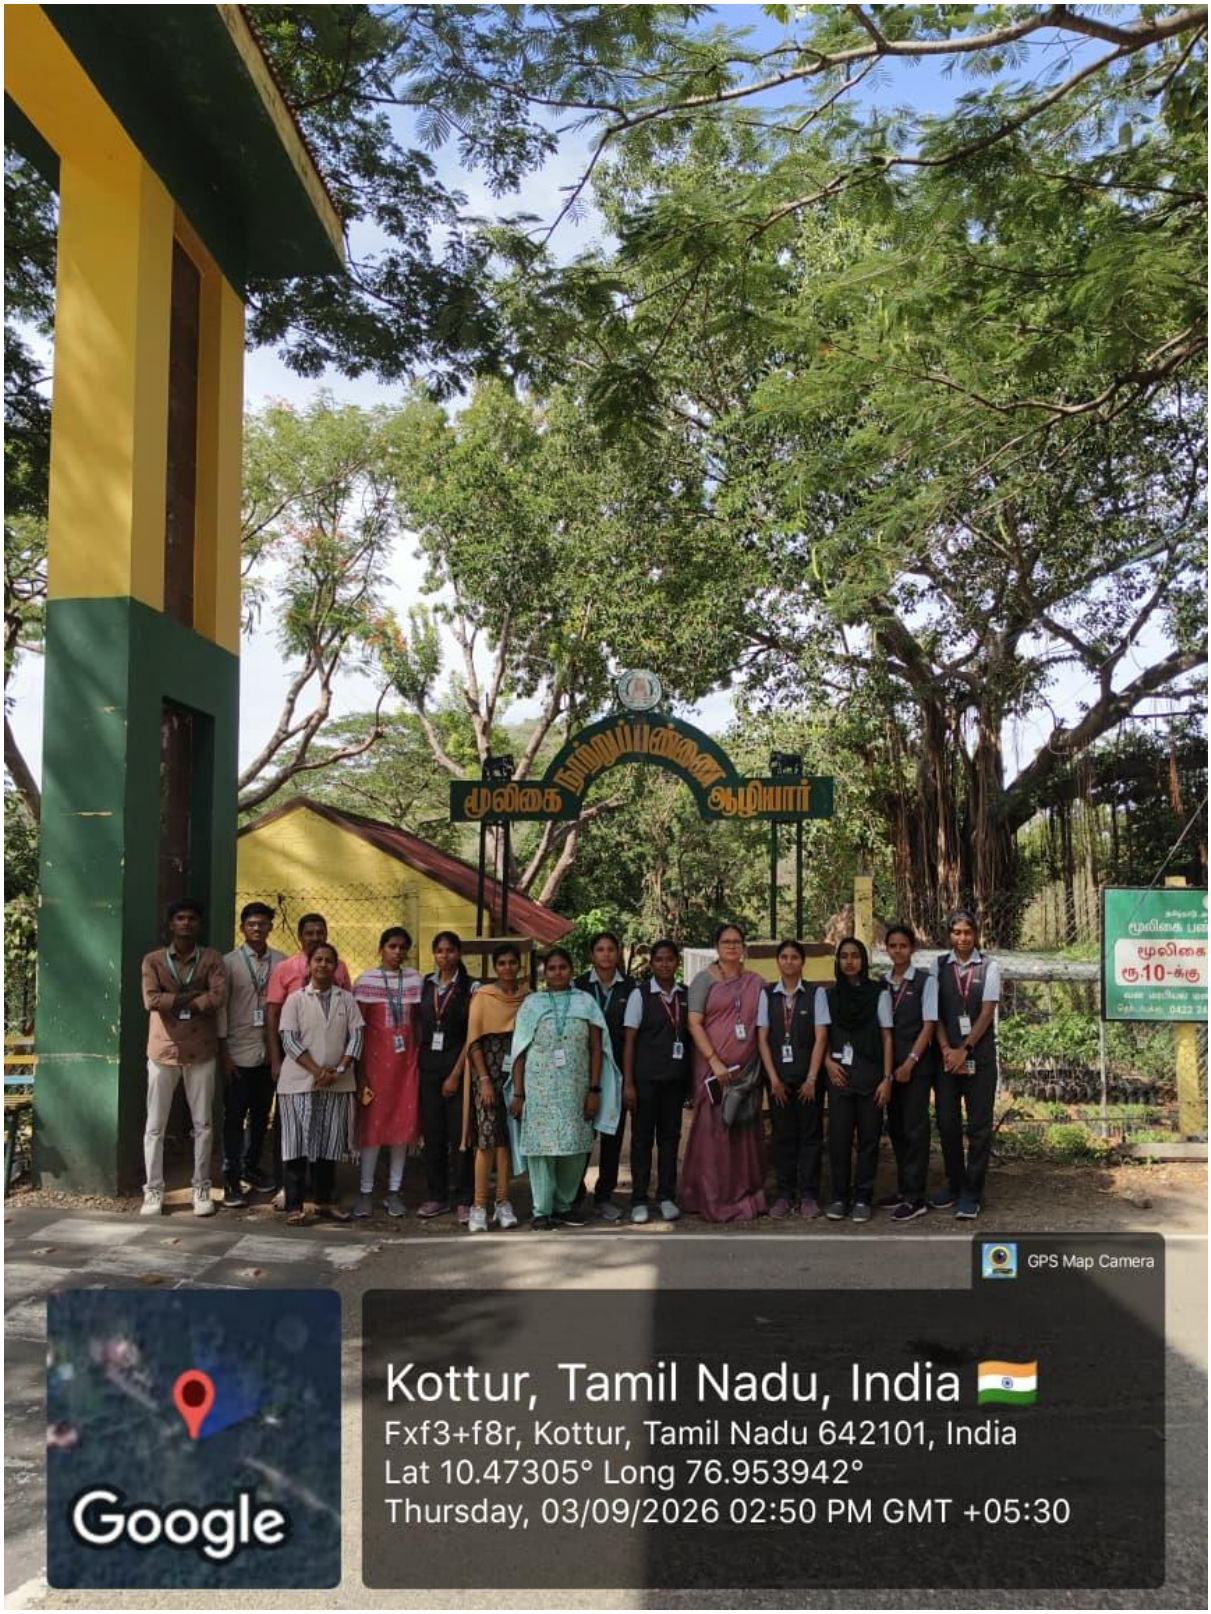

Organized by: Environmental Club and Indian Knowledge System

Participants: Staff and EVC members

- On Thursday, a group of 12 students and 3 staff members visited the Mooligai pannai at Aliyar.
- The visit was organized jointly by the Environmental Club (EVC) & Indian Knowledge System Club (IKS).
- The main purpose of the visit was to learn about medicinal plants and their importance in traditional healthcare practices.
- During the visit, we observed different types of herbal and medicinal plants and learned about their various uses.
- The visit helped us understand the connection between traditional knowledge, nature, and modern life.
- Students learned the importance of protecting medicinal plants and preserving traditional knowledge for future generations.
- The visit was an interesting and educational experience, providing us with practical knowledge beyond the classroom.
- Overall, the herbal farm visit was informative and memorable, and it increased our awareness of medicinal plants and Indian traditional knowledge.

MCET Centre for Indian Knowledge System & Environmental Club

02.09.2026

Note Submitted the Principal for kind approval:

The MCET Centre for Indian Knowledge System (IKS), in association with the Environmental Club, proposes to organize a **Field Visit to Aaliyar Mooligai Pannai on 03.09.2026(Thursday) between 2pm to 4pm** for students and faculty members. The field visit is planned with the objective of providing experiential learning opportunities on traditional Indian knowledge related to **medicinal plants, herbal resources, indigenous practices, biodiversity conservation and sustainable living.** The proposed activity is aligned with the AICTE Indian Knowledge Systems (IKS) theme of "Health, Wellness and Sustainable Living", as it enables students to understand the traditional knowledge and practices associated with herbal plants and their role in healthcare, environmental conservation and sustainable utilization of natural resources.

A total of **15 students (Environment club members) and 4 faculty members** will participate in the proposed field visit. The visit will provide students with an opportunity to gain practical exposure to various medicinal and herbal plants, their traditional applications and indigenous knowledge related to their cultivation, conservation and utilization.

We also request you to kindly provide the **college transport facility** for the transportation of the **15 students and 4 accompanying faculty members** to and from Aaliyar Mooligai Pannai.

We assure you that the visit will be conducted under the guidance and supervision of the accompanying faculty members, following all necessary safety and institutional guidelines.

We kindly request your approval for the same.

Budget Required:

Particulars	Amount Required in Rs.
Travelling Expenses	5000/-
Herbal plants	200/-
Total	**5200/-**

Environmental club & Gyan-The Quiz planet

Brief Report on ECO QUIZ TRIVIA 26

Name of the Club		Environmental club & Gyan -The Quiz Planet
Date & Time		15th Oct 2026, 3.00PM - 4.30 P.M.
Venue		Electrical Seminar Hall
No of Participants		100

Objective of the Event

To create an engaging and informative learning experience through the joint initiative of Gyan – The Quiz Planet and the Environmental Club, encouraging students to enhance their general knowledge, stay updated on current affairs, develop environmental awareness, and strengthen their logical thinking and quick-response skills.

Brief information about the event

Gyan – The Quiz Planet and the Environmental Club jointly organized "ECO QUIZ TRIVIA–26" for all first-year students to promote environmental awareness, general knowledge, teamwork, and critical-thinking skills. The quiz competition was conducted in a structured format comprising three rounds. The rules and regulations of the competition were explained to the participants before the commencement of the event.

Round 1: Environmental and General Knowledge Round

This round was conducted using the Mentimeter interactive quiz platform to assess students' general knowledge, current affairs, and environmental awareness. The platform encouraged active participation through real-time responses and provided an engaging, technology-enabled learning experience.

Round 2: Connection Round

In this round, participants were presented with a series of pictures, clues, or words and asked to identify the common connection among them. This activity tested their observation, logical reasoning, and ability to establish connections between related concepts.

Round 3: Mono Acting Round

Participants performed individual acts based on environmental themes. This round encouraged creativity, effective communication, and the innovative expression of environmental messages through performance

The competition provided an engaging platform for students to demonstrate their knowledge, creativity, and teamwork while developing a greater understanding of environmental issues. Based on their overall performance, the top three teams were selected and announced as the winners.The event successfully combined learning with interactive activities and reinforced the importance of environmental awareness and responsible environmental practices among first-year students.

Dr. S. Parveen - Environmental club coordinator and Ms. N. Chithra- Quiz club coordinator distributed the prizes to the winners of the ECO QUIZ TRIVIA–2026 competition. They congratulated the winners for their excellent performance, enthusiasm, and active participation. The prize distribution ceremony recognized the achievements of the students and encouraged them to continue enhancing their knowledge.

Winners of quiz competition are:

S. No.	Name of the Branch	Name of the student	Prizes
1	ECE	Jayashree S J Kanesha A	First
2	IT	Dharun Vijay M Akshsy B	Second
3	AIML	Jalanthara M Annmistica	Third

Outcome of the Event

It encouraged critical thinking, teamwork, creativity, and quick decision-making through various quiz rounds, including the Connection Round and Mono Acting Round. The event created environmental awareness among students and motivated them to adopt eco-friendly practices and contribute towards a sustainable future.
