About Byte Bulletin

ByteBulletin proudly presents a vibrant showcase of our department's milestones, capturing the spirit of learning, innovation, and excellence that defines our academic community. This edition highlights the enthusiastic participation of students in various co-curricular and extracurricular activities, along with their accomplishments in prestigious online courses and NPTEL certifications that reflect their commitment to continuous learning. The newsletter also celebrates the remarkable achievements of our dedicated faculty, whose contributions inspire academic growth and professional development. In addition, it features a comprehensive overview of department events, workshops, and initiatives, as well as notable student achievements and winners across diverse domains. ByteBulletin stands as a testament to our collective efforts, talent, and pursuit of excellence, offering readers an inspiring glimpse into the dynamic activities shaping our department.

VISION OF THE DEPARTMENT

To develop engineers with global employability, capability, research focus and social responsibility.

MISSION OF THE DEPARTMENT

- To develop internationally competent engineers in dynamic IT field by providing state-of-art academic environment and industry driven curriculum.
- To motivate and guide students to take up higher studies and establish entrepreneurial ventures.
- To enrich the department through committed and technically sound faculty team with research focus in thrust areas.
- To undertake societal problems and provide solutions through technical innovations and projects in association with the industry, society and professional bodies.

PROGRAMME EDUCATIONAL OBJECTIVES

PEO 1 : Domain Expertise - Possess expertise and emerge as key players in IT integrated domains.

PEO 2 : Computing Skills and Ethics - Employ computing skills to solve societal and environmental issues in an ethical manner.

PEO 3 : Lifelong Learning and Research - Involve in lifelong learning and research to meet the demands of global technology.

Programme Outcomes (POs)

PO1.Engineering Knowledge : Apply the knowledge of mathematics, science, engineering fundamentals and concepts of Computer Science to solve complex engineering problems.

PO2.Problem Analysis : Identify, review literature, formulate and analyse complex engineering problems using first principles of mathematics and engineering sciences.

PO3.Design and Development of Solutions : Design and develop computing solutions for complex engineering problems with societal and environmental awareness.

PO4.Complex problem Investigation : Investigate complex problems by employing research methods to arrive at valid conclusions.

PO5.Modern Tool Usage : Evaluate and use appropriate tools and techniques in engineering activities .

PO6.Societal contribution : Follow professional engineering practice by applying contextual knowledge to assess societal and legal issues.

PO7.Environment and Sustainability : Understand and provide professional engineering solutions taking into consideration environmental and economic sustainability.

PO8.Ethics : Follow ethical principles and norms in engineering practice.

PO9.Individual and Team work : Function effectively as an individual, team member or leader in diversified environments.

PO10.Communication : Communicate effectively through various modes for all engineering activities.

PO11.Project Management and Finance : Apply Engineering knowledge and management principles for effective project management in multidisciplinary environments.

PO12.Life-long Learning : Engage in independent life-long learning and skill development for professional and social well being.

Programme Specific Outcomes (PSOs)

PSO1. Systems Engineering: Employ software engineering principles in the design and development of efficient systems.

PSO2. Knowledge Engineering: Apply data analytics techniques for solving real world problems.

DEPARTMENT ACTIVITIES

01) The Department of Computer Science and Engineering of Dr. Mahalingam College of Engineering and Technology, in association with the DIGIFLASH – CSE Department Association, organized an AI Tools Tutorial Series on **"ChatGPT – Exploring Intelligent Conversational AI."** The session was delivered by Mr. K. Prabhu, Assistant Professor (SS), CSE, who explained the features and applications of ChatGPT. The program enhanced participants' understanding of conversational AI and its practical applications.

02) The Department of Computer Science and Engineering, in association with the DIGIFLASH – CSE Department Association and ISTE Student's Chapter, organized a Hands-on Workshop on **"DevOps Tools and Practices."** The session was led by Mr. Siva Sankaran N V, AWS Administrator and Trainer from Devo Infotech, Tiruchirappalli. The workshop provided participants with practical knowledge of DevOps tools, industry practices, and real-time workflows, enhancing their technical and professional skills.

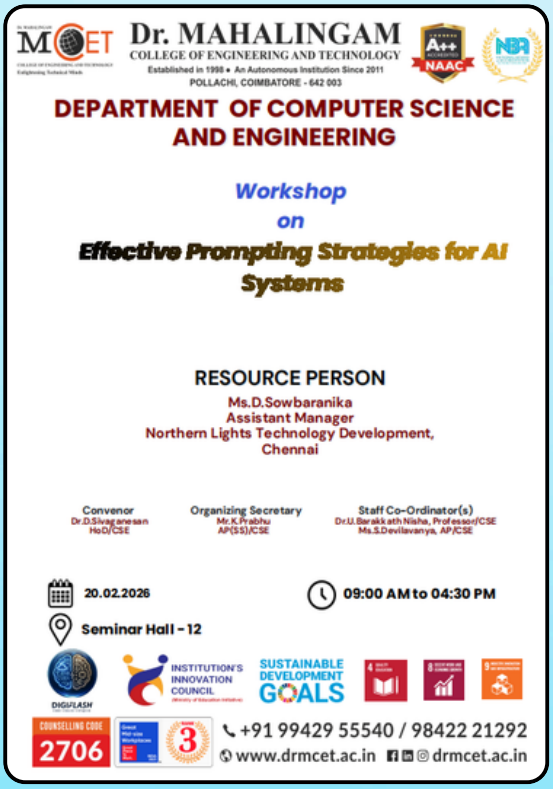

03) The Department of Computer Science and Engineering organized a Workshop on **"Effective Prompting Strategies for AI Systems"** on 20th February 2026 at Seminar Hall–12. The session was led by Ms. D. Sowbaranika, Assistant Manager, Northern Lights Technology Development, Chennai, who shared insights on prompt engineering techniques and AI applications. The workshop enhanced participants' understanding of effective prompting and practical AI usage.

04) The Department of Computer Science and Engineering, in association with the MCET Institution's Innovation Council, organized a workshop on "**Design Thinking, Critical Thinking and Innovation Design for Innovators and Entrepreneurs.**" The session was delivered by Ms. Sharmila Jagadeesan, Entrepreneur and Chief Operating Officer, Prashanth Recruitment Services, Coimbatore, on 28 February 2026 at Seminar Hall–12. The workshop provided valuable insights into creative problem-solving, innovation frameworks, and entrepreneurial thinking. Participants gained practical knowledge on applying design thinking methodologies to develop innovative solutions. The event significantly contributed to enhancing the innovation mindset and critical thinking skills of the participants.

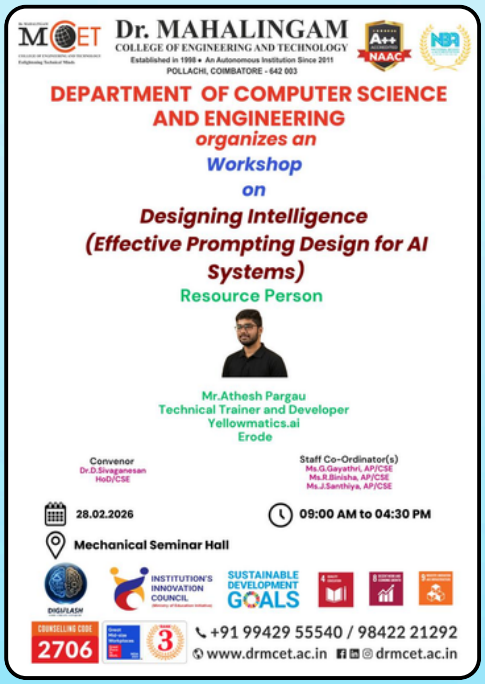

05) The Department of Computer Science and Engineering organized a workshop on **"Designing Intelligence (Effective Prompting Design for AI Systems)"** on 28 February 2026 at the Mechanical Seminar Hall. The session was delivered by Mr. Athesh Pargau, Technical Trainer and Developer at Yellowmatics.ai, Erode. The workshop focused on effective prompt engineering techniques and practical strategies for interacting with AI systems. Participants gained insights into designing structured prompts to improve AI responses and productivity. The program enhanced students' understanding of emerging AI technologies and their real-world applications.

01) Congratulations to **Mr. K. Prabhu, Assistant Professor (SS)**, Department of Computer Science and Engineering, delivered a seminar on **"Explainable Artificial Intelligence"** at Pollachi Institute of Engineering and Technology, Pollachi, on 11 February 2026. The session provided valuable insights into AI interpretability and its significance in modern intelligent systems. The seminar was well received by the students and contributed to enhancing their understanding of emerging AI technologies. The institution appreciated his contribution and expertise in sharing domain knowledge.

CERTIFICATE OF APPRECIATION

Dear Professor,

On behalf of Pollachi Institute of Engineering and Technology, we express our heartfelt gratitude to **Mr. K. Prabhu, Assistant Professor (SS), Department of Computer Science and Engineering, Dr. Mahalingam College of Engineering and Technology, Pollachi.**

He delivered a seminar on **"Explainable Artificial Intelligence"** organized by the Department of Computer Science and Engineering on 11.02.2026 for our AI&DS and CSE students.

The program was highly informative and beneficial. Our students provided very positive feedback on the seminar. We sincerely thank him for taking his valuable time to share his expertise and knowledge with us.

We look forward to associating with him in our future endeavors.

Thank you once again!
