Report on Public Speaking Competition on 24.09.2026

The Rostrum Club organized a Public Speaking Competition on 24 September 2026 from 9:00 a.m. to 1:00 p.m. at C203 – Smart Classroom. The competition was organized for First Year and Second Year students with the aim of providing a platform for students to express their ideas confidently and develop effective public-speaking skills.

The event emphasized the theme "Speak • Express • Inspire" and encouraged students to think critically, articulate their thoughts clearly, and engage the audience through effective communication. The competition provided participants with an opportunity to overcome stage fear, improve their confidence, and demonstrate their ability to present ideas in a structured and impactful manner.

The programme reflected the vision of the Rostrum Club to nurture communication, leadership, and presentation skills among students. The participation of students from different years created an engaging and competitive environment, while the event also encouraged students to recognize the importance of their voice and ideas.

The Public Speaking Competition successfully served as a platform for students to showcase their speaking abilities, exchange ideas, and develop greater confidence in public communication. The event concluded with an encouraging message that great speakers can inspire others and contribute to building a brighter future.

Club In-Charge: Dr. R. Vidhya, Assistant Professor of English, Department of Science and Humanities.
